C. SECURITY AND PRIVACY

1. Security of Online Services.

Prospera is committed to online technology and continues to monitor and improve our Online Services software applications so that you can use Online Services to access your Prospera accounts safely and securely. For instance, the data passed to and from our internal servers to your computer or mobile device is encrypted. Encryption mitigates the risk of data being intercepted and/or viewed by unauthorized third parties. Prospera tests its firewalls by an independent third party to ensure reasonable precautions have been implemented to prevent unauthorized access. Each user session is limited to a specific length of idle time after which the session automatically times out, reducing the window of opportunity for someone without authority to access your account information should you inadvertently leave your computer or mobile device without first signing off.

2. Passwords.

When you enroll for the Online Services, you will select a Password to be used by you to access your Accounts and make transfers between Accounts through the Online Banking system. It is very important that you select a Password you will remember and that does not contain information about you that could be easily compromised. You are responsible for keeping your Password and account information confidential.

You may change your Password at any time while in the Online Banking system. Currently, your Password is case sensitive and must have at least ten (10) characters including at least one (1) number, one (1) letter, and one (1) special character. Password requirements may change from time-to-time.

If you are using the Online Services in connection with business Accounts, the following provisions apply:

- a. **Protecting Your Password.** You agree that Prospera may send notices and other communications to the current address shown in our records, whether that address includes a designation for delivery to the attention of any individual. You further agree that Prospera will not be responsible or liable to you in any way if information is intercepted by an unauthorized person, either in transit or at your place of business. You agree to: (i) keep your Password (secure and strictly confidential); (ii) instruct each person to whom you have authorized to have a user Password that he or she is not to disclose it to any unauthorized person; and (iii) immediately notify us and select a new Password if you believe your Password has become known to an unauthorized person.
- b. Prospera will have no liability to you for any unauthorized payment or transfer made using your Password before you have notified us of possible unauthorized use and Prospera has had a reasonable opportunity to act on that notice. Prospera may suspend or cancel your Password without receiving such notice from you if we suspect that your Password is being used in an unauthorized or fraudulent manner. Prospera will have no liability for such suspension or cancellation.

3. Disclosure of Account Information to Third Parties.

It is our general policy to treat your account information as confidential. However, Prospera will disclose information to third parties about your account or the transactions you make ONLY in the following situations:

- a. Where it is necessary for completing transactions;
- b. Where it is necessary for activating additional Online Services;
- c. To verify the existence and condition of your account to a third party, such as a credit bureau or Payee;
- d. To a consumer reporting agency for research purposes only;

- e. To comply with a governmental agency or court orders; or
- f. If you give us your written permission.

4. Procedures.

You represent that you have considered the security procedures of Online Services and find that the security procedures are commercially reasonable for verifying that the Online Services described in this Agreement or other communications that purportedly was initiated by you is, in fact, yours. In reaching this determination, you have considered the nature, types, and frequency of the Online Services you anticipate using pursuant to this Agreement.

D. SOFTWARE AND HARDWARE

1. Ownership & License.

You agree that Prospera or its licensors or other designees retains all ownership and proprietary rights in the Online Services and the Online Banking platform, including in all associated content, technology, and website(s). Your use of the Online Services is subject to and conditioned upon your complete compliance with this Agreement and your failure to do so is grounds for us to terminate this Agreement. Without limiting the restriction of the foregoing, you may not use the Online Services (i) in any anti-competitive manner, (ii) for any purpose which would be contrary to our business interest, or (iii) to our actual or potential economic disadvantage in any aspect. You may not copy, reproduce, distribute, or create derivative works from the content and agree not to reverse engineer or reverse compile any of the technology used to provide the Bill Pay Online Services.

2. Malicious Software (Malware).

Malware is software intentionally designed to cause damage to a computer after it is implanted or introduced. It includes computer viruses, worms, Trojan horses, ransomware, spyware, and other bugs. While we strive to prevent Online Services from becoming compromised by malware, we cannot guarantee that you will not come into contact with malware while accessing Online Services, and you agree that we are not responsible for any electronic virus or other type of malware you may encounter accessing Online Services.

We strongly recommend that you install and maintain anti-virus software on your personal computer and routinely scan your computer to detect and remove any viruses and other malware found. Undetected and unrepaired, malware may corrupt and destroy your programs, files and even your hardware. We make no warranties regarding malware of any type, and you agree that we will not be liable for any losses to you caused by malware on your computer or mobile device regardless of its origin.

3. Devices and Equipment.

You are solely responsible for your choice of equipment, wireless carriers, Internet or email service providers, web browsers, voice/data plans, etc., and for resolving any issues concerning operation, performance, availability, costs, etc., relating to any of the foregoing with the appropriate provider. Notwithstanding the foregoing, there are certain minimum technology requirements you must have to access and use Online Service:

1. Access Through Our Website.

To access, view and sign copies of electronic Documents and Disclosures, you will need to have:

- a. access to a computer or other electronic device that can connect online to our website;
- b. an active email address and/or mobile phone number;
- c. a Current Version (defined below) of an Internet browser we support (such as Google Chrome®, Mozilla® Fire-fox®, Microsoft Edge®, or Apple Safari®); and
- d. software that is capable of receiving, accessing, and displaying communications received from us in electronic format (e.g., HTML, PDF) such as Adobe Acrobat Reader®.

2. Access Through Our Mobile App

- b. download the Current Version of our Mobile App, which is available through the Apple App Store® or Google Play®.

By “Current Version,” we mean a version of the software that is currently being supported by its publisher. We reserve the right to discontinue support of a Current Version of software if, in our sole opinion, it suffers from a security flaw or other flaw that makes it unsuitable for use.

E. DESCRIPTION OF THE ONLINE BANKING SERVICES

The Online Services currently allows you to do the following:

1. Access to your Accounts, and view account balances and statements. 18 months of transaction activity is available online for your review. The account balance shown may differ from your records because it may not include deposits not available for withdrawal, outstanding checks or other withdrawals, payments or charges that have not yet posted.
2. Pay bills online using Online Bill Pay Online Services if you have a checking Account open with us.
3. View check images online. Check images are identified for ease of reference.
4. Obtain account details. The information displayed in Online Banking is not an official disclosure. It does not replace your Prospera statement, account, or loan disclosures, and/or disclose all fees, charges, interest and/or amount due when displaying a loan payoff or negative balance payoff. For example, the actual payoff balance may be greater than the displayed balance due to the exclusion from the displayed mortgage loan payoff and/or loan payoff balance of interest and/or fees that may accrue through the date that you intend to pay off your loan.
5. Initiate certain Transactions from your Account (and view Transaction information), and transfer funds among designated Accounts. Funds may be transferred between specified checking, savings, and loan Accounts, and you may make one-time transfers or schedule future or recurring transfers.
6. Deposit checks to your account using our Mobile Check Deposit service.

Once you submit your request to enroll in Online Banking, you may also enroll in Bill Pay and Online Statement Services. You may access your Accounts 24 hours a day, seven (7) days a week. However, the availability of the Online Services may be suspended for brief periods of time for purposes of maintenance, updating and revising of software. To enroll for the Online Banking system, you must have at least one Account with Prospera.

Unless otherwise specified, all Online Banking transaction requests received after the end of a business day and all transactions which are requested on Saturdays, Sundays, or Federal holidays will be processed on Prospera’s next business day.

F. CONSENT TO RECEIVE ELECTRONIC COMMUNICATIONS

As a required part of enrollment in Online Services, you must consent to receiving any and all communications from us in electronic form. To provide your consent you must electronically agree to the terms of our E-Sign Agreement. If you do not agree with the terms of the E-Sign Agreement, and you do not provide your consent, you will not be able to enroll in Online Services. However, as set forth in Section M below, you may withdraw your consent at any time. Please be aware that withdrawal of consent may result in the termination of your use of Online Services through both our website and our mobile app.

G. LIMITATIONS ON AVAILABILITY OF ONLINE SERVICES

Subject to the terms of this Agreement and our scheduled unavailability time, you will generally be able to access your eligible accounts through Online Services and use any of its services 7 days a week, 24 hours a day, 365 days per year. During our scheduled unavailability time, however, some or all Online Services may be unavailable due to system maintenance or upgrades, and Online Services may be unavailable, or its services may be limited, at any time due to circumstances beyond our control. We make no warranties or guarantees as to the availability of Online Services. If you are unable to access Online Services to view your accounts and/or schedule a transfer or payment, and your inability to do so is because of a scheduled or unexpected unavailability, we will not be responsible or liable for any loss or harm you may incur due to a late payment, or for any inconvenience you may experience during periods in which you cannot access Online

Services. If you find you cannot access Online Services and you need to initiate an electronic transaction or otherwise need immediate access to your accounts, please call 920-882-4800 for further assistance.

H. BILL PAY SERVICE

The Bill Pay Online Service enables you to make both recurring and one-time payments from one or more of your designated checking Account(s) to the “Payees” you choose in accordance with this Agreement. Bill Pay service is provided by a third-party vendor.

By choosing to use the Bill Pay service, you agree to be subject to the terms and conditions outlined in these Bill Pay Terms of Online Service.

1. Use of Online Bill Pay.

The Bill Pay service permits you to send funds: (a) a person or entity to which you wish a payment to be directed or the entity from which you receive electronic bills (each person or entity, a “Payee”); (b) to other persons with accounts outside of Prospera; and (c) to your other accounts (persons described in (b) and (c), each a “Non-Biller Payee(s)”).

2. Payment Scheduling.

- a. To schedule a payment, you must select a date your payment will be debited (such date, the “Scheduled Payment Date”) for each Payee. This will determine the date for your Payee to receive the payment (the “Deliver by Date”). When scheduling such payments, you must select a Scheduled Payment Date that results in a “Deliver by Date” which is no later than the date reflected on your Payee statement for which the payment is due (the “Due Date”) unless the Due Date falls on a nonbusiness day. If the actual Due Date falls on a non-business day, you must select a Scheduled Payment Date that results in a Due Date which is at least two (2) business days before the actual Due Date. All Deliver by Dates must be prior to any late date or grace period permitted by the Payee.
- b. The necessary funds must be made available in the checking account from which bill payments will be debited (your “Payment Account”) on the Scheduled Payment Date.
- c. The earliest possible Deliver by Date for each Payee (typically four business days from the current date if the Payee can receive the payment electronically or up to ten business days if the Payee is not capable of receiving the payment electronically) will be designated within the Online Service when you are scheduling the payment. Therefore, the Online Service will not permit you to select a Deliver by Date prior to the earliest possible Deliver by Date designed for the Payee. If the Payee permits, for a fee, Prospera may also offer a rush payment option (typically one to three business days) which may be paid via check or electronic payment, if supported by a Payee.
- d. You may choose to schedule payments to recur in the same amount at regular weekly, every other week, every four weeks, monthly, twice monthly, semi-monthly, every three months, every six months, or annual intervals. When you create a new Payee in the Online Service, it may take two business days to set up the Payee to receive payments. You should schedule a payment to a new Payee at least fourteen business days before any payment Due Date, to allow the Online Service time to set up the Payee and verify information about your account with the Payee.
- e. For all subsequent payments, you agree to allow at least four to fourteen days between the Scheduled Payment Date and the payment Due Date.
- f. If the Online Banking session during which you schedule a payment or transfer ends by 4:00 PM Central Time on a business day, the Bill Pay service will be considered to have received it on that day. Otherwise, it will be considered received on the following business day.

3. Prohibited Transactions.

You agree not to use or attempt to use the Bill Pay service: (a) to engage in any illegal purpose or activity or to violate any applicable law, rule or regulation, (b) to breach any contract or agreement by which you are bound, (c) to engage in any internet or online gambling transaction, whether or not gambling is legal in any applicable jurisdiction, (d) to engage in any activity or business that would result in you being or becoming a “money Online Service business” as defined in Bank Secrecy Act and its implementing regulations, or (e) to engage in any transaction or activity that is not specifically authorized and permitted by this Agreement.

You acknowledge and agree that Prospera has no obligation to monitor your use of the Bill Pay service for transactions and activity that are impermissible or prohibited under the terms of this Agreement; provided, however, that Prospera reserves the right to decline to execute any transaction or activity that Prospera believes violates the terms of this Agreement. PAYMENTS TO PAYEES AND NON-BILLER PAYEES OUTSIDE OF THE UNITED STATES OR ITS TERRITORIES ARE PROHIBITED THROUGH THE ONLINE SERVICE.

4. Payment Authorization and Payment Remittance.

- a. By providing the Bill Pay service with names, contact information, and/or account information of Payees and Non-Biller Payees to whom you wish to direct payments, you authorize the Bill Pay service to follow the information provided by you to the Bill Pay service for a payment to be made to a Payee or Non-Biller Payee (such as, but not limited to, Payee/Non-Biller Payee name, Payee/Non-Biller Payee contact information, Payee/Non-Biller Payee account number, and Scheduled Payment Date) (such information, "Payment Instructions") that it receives through the payment system. To process payments more efficiently and effectively, the Bill Pay service may edit or alter payment data or data formats in accordance with Payee/Non-Biller Payee directives.
- b. When any payment or other Online Service generates items to be charged to your Payment Account, you agree that the Bill Pay service may debit your Payment Account without requiring your signature on the item and without prior notice to you.
- c. When the Bill Pay service receives a Payment Instruction, you authorize the Bill Pay service to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Deliver by Date.
- d. You also authorize the Bill Pay service to credit your Payment Account for payments returned to the Bill Pay service by the United States Postal Bill Pay service, Payee or Non-Biller Payee, or payments remitted to you on behalf of another authorized user of the Bill Pay service.
- e. The Bill Pay service will use its best efforts to make all your payments properly. However, the Bill Pay service shall incur no liability if the Bill Pay service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:
 - i. If your Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
 - ii. The payment processing center is not working properly, and you know or, to the extent reasonably practicable, have been advised by the Bill Pay service about the malfunction before you execute the transaction;
 - iii. You have not provided the Bill Pay service with the correct Payment Account information, or the correct name, address, phone number, email address, or account information for the Payee or Non-Biller Payee; and/or,
 - iv. Circumstances beyond control of the Bill Pay service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction.

Provided none of the foregoing exceptions are applicable and you have a consumer account, if the Bill Pay service causes an incorrect amount of funds to be removed from your Payment Account or causes funds from your Payment Account to be directed to a Payee which does not comply with your Payment Instructions, the Bill Pay service shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Payee any previously misdirected transactions, and, if applicable, for any late payment related charges.

Provided none of the foregoing exceptions are applicable, and you have a business account, if Prospera fails or delays in making a payment or transfer pursuant to your instructions, or if Prospera makes a payment or transfer in an erroneous amount that is less than the amount per your instructions, unless otherwise required by law, Prospera's liability shall be limited to interest on the amount that Prospera failed to timely pay or transfer, calculated from the date on which the payment or transfer was to be made until the date it was actually made or you canceled the instructions. Prospera may pay such interest either to you or the intended recipient of the payment or transfer, but in no event will we be liable to both parties, and Prospera's payment to either party will fully discharge any obligation to the other. If Prospera makes a payment or transfer in an erroneous amount that exceeds the amount per your instructions, or if Prospera permits an unauthorized

payment or transfer after Prospera has had a reasonable time to act on a notice from you of possible unauthorized use as described above, unless otherwise required by law, Prospera's liability will be limited to a refund of the amount erroneously paid or transferred, plus interest thereon from the date of the payment or transfer to the date of the refund, but in no event to exceed sixty (60) days' interest. If Prospera becomes liable to you for interest compensation under this Agreement or applicable law, such interest shall be calculated based on the average federal funds rate at the Federal Reserve Bank in the district where Prospera is headquartered for each day interest is due, computed on the basis of a 360-day year.

5. Payment Methods.

The Bill Pay service reserves the right to select the method in which to remit funds on your behalf to your Payee or Non-Biller Payee. These payment methods may include, but may not be limited to, an electronic payment, an electronic to check payment, or a laser draft payment.

6. Payment Cancellation Requests.

You may cancel or edit any scheduled payment (including recurring payments) by following the directions within the Bill Pay service. There is no charge for canceling or editing a scheduled payment. Once the Bill Pay service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted.

7. Stop Payment Requests.

The Bill Pay service's ability to process a stop payment request will depend on the payment method and whether a check has cleared. The Bill Pay service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact Prospera at 920-882-4800. Although the Bill Pay service will make every effort to accommodate your request, the Bill Pay service will have no liability for failing to do so. The Bill Pay service may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such Online Service as set out in the Schedule of Fees and Charges or the Business Account Fee Schedule.

8. Exception Payments.

Tax payments and court ordered payments may be scheduled through the Bill Pay service, however such payments are discouraged and *will be scheduled at your own risk*. In no event shall the Bill Pay service be liable for any claims or damages resulting from your scheduling of these types of payments. The Bill Pay service has no obligation to research or resolve any claim resulting from an exception payment. All research and resolution for any misapplied, mis posted or misdirected payments will be the sole responsibility of you and not of the Bill Pay service.

9. Bill Delivery and Presentment.

This feature is for the presentment of electronic bills only and it is your sole responsibility to contact your Payees directly if you do not receive your statements. In addition, if you elect to activate one of the Bill Pay service's electronic bill options, you also agree to the following:

- a. **Information Provided to the Payee.** The Bill Pay service is unable to update or change your personal information such as, but not limited to, name, address, phone numbers and e-mail addresses, with the electronic Payee. Any changes will need to be made by contacting the Payee directly. Additionally, it is your responsibility to maintain all usernames and passwords for all electronic Payee sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill. The Bill Pay service may, at the request of the Payee, provide to the Payee your e-mail address, Online Service address, or other data specifically requested by the Payee at the time of activating the electronic bill for that Payee, for purposes of the Payee informing you about bill information.
- b. **Activation.** Upon activation of the electronic bill feature the Bill Pay service may notify the Payee of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Payee to Payee and may take up to sixty (60) days, depending on the billing cycle of each Payee. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Payee. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Payee reserves the right to accept or deny your request to receive electronic bills.
- c. **Authorization to Obtain Bill Data.** Your activation of the electronic bill feature for a Payee shall be deemed by Prospera to be your authorization for Prospera to obtain bill data from the Payee on your behalf. For some Payees, you will be asked to provide Prospera with your username and password for that Payee. By providing Prospera with such information, you authorize Prospera to use the information to obtain your bill data.

- d. **Notification.** The Bill Pay service will use its best efforts to present all your electronic bills promptly. In addition to notification within the Bill Pay service, the Bill Pay service may send an e-mail notification to the e-mail address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Bill Pay service and check on the delivery of new electronic bills. The time for notification may vary from Payee to Payee. You are responsible for ensuring timely payment of all bills.
- e. **Cancellation of Electronic Bill Notification.** The electronic Payee reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Payee to Payee. It may take up to sixty (60) days, depending on the billing cycle of each Payee. The Bill Pay service will notify your electronic Payee(s) as to the change in status of your account and it is your sole responsibility to plan for an alternative form of bill delivery. The Bill Pay Online Service will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.
- f. **Non-Delivery of Electronic Bill(s).** You agree to hold the Bill Pay Online Service harmless should the Payee fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Payee directly.
- g. **Liability to Payees.** This Agreement does not alter your liability or obligations that currently exist between you and your Payees.

10. Bill Pay Service Fees and Additional Charges.

Any applicable fees will be charged regardless of whether the Bill Pay service was used during the billing cycle. There may be a charge for additional transactions and other optional Online Services. All such fees are detailed on our Fee Schedule. You agree to pay such charges and authorize the Bill Pay service to deduct the calculated amount from your designated Payment Account for these amounts and any additional charges that may be incurred by you. Any financial fees associated with your standard deposit accounts will continue to apply. You are responsible for all telephone access fees and/or Internet Online Service fees that may be assessed by your telephone and/or Internet Online Service provider.

11. Failed or Returned Transactions.

In using the Bill Pay service, you are requesting the Bill Pay service to make payments for you from your Payment Account. If we are unable to complete the transaction for any reason associated with your Payment Account (for example, there are insufficient funds in your Payment Account to cover the transaction), the transaction will not be completed. In some instances, you will receive a return notice from the Bill Pay service. In such case, you agree that:

- a. You will reimburse the Bill Pay service immediately upon demand the transaction amount that has been returned to the Bill Pay service;
- b. You will reimburse the Bill Pay service for any fees imposed by us as a result of the return;

The Bill Pay service reserves the right to refuse to pay any Payee or Non-Biller Payee to whom you may direct a payment. The Bill Pay service will notify you promptly if it decides to refuse to pay a Payee or Non-Biller Payee designated by you. This notification is not required if you attempt to make a prohibited payment or an exception payment under this Agreement.

14. Returned Payments.

In using the Bill Pay service, you understand that Payees/Non-Biller Payees and/or the United States Postal Bill Pay service may return payments to the Bill Pay service for various reasons such as, but not limited to, Payee's/Non-Biller Payee's forwarding address expired; Payee/Non-Biller Payee account number is not valid; Payee/Non-Biller Payee is unable to locate account; or Payee/Non-Biller Payee account is paid in full. You may receive communications from the Bill Pay service.

15. Information Authorization.

Your enrollment in the Bill Pay service may not be fulfilled if the Bill Pay service cannot verify your identity or other necessary information. If your account was added online the Bill Pay service may issue offsetting debits and credits to your accounts used for external transfers within the Bill Pay service and require confirmation of such from you in order to verify ownership of your Payment Account(s). You agree that the Bill Pay service reserves the right to obtain financial information regarding your account from a Payee or Prospera (for example, to resolve payment posting problems or for verification).

16. Term and Termination.

Your Bill Pay service will become effective on the date that you enroll an account for the use of the Bill Pay service and shall remain in full force and effect until termination in accordance with the following provisions:

Your mobile device must meet our hardware and software specifications, and the camera on your mobile device must meet certain resolution requirements. These requirements and specifications may change from time to time and are detailed elsewhere in this section of the Agreement.

1. Using Mobile Check Deposit.

You can deposit a check using an Apple iPhone running a current version of iOS and an Android Smartphone running a current version of Android OS. In addition, you will need a wireless internet connection for this Online Service.

2. Eligible Deposit Items.

- a. You agree to scan and deposit only "checks" as that term is defined in Regulation CC, and only those checks or other items that we in our sole discretion elect to include as eligible for mobile deposit under this Agreement. **You agree that it will be a material breach of this Agreement to deposit checks that have been submitted previously through Mobile Check Deposit or through any remote deposit capture Online Service offered at Prospera or by any other financial institution. Any breach of this Agreement may result in the termination of your ability to use Mobile Check Deposit and/or Online Services.**
- b. You acknowledge and agree that the image of each check you transmit to us will be converted to an IRD ("Image Replacement Document" or "substitute check") for subsequent presentment, and upon conversion it shall be deemed an "item" within the meaning of Articles 3 and 4 of the Uniform Commercial Code.
- c. You also agree that you will not scan and deposit any of the following types of checks or other items, which are considered "ineligible items."
 - Checks payable to any person or entity other than the person who owns the account into which each check is being deposited.

- Checks containing an alteration on the front of the check, or checks you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.

3. Endorsements and Other Deposit Procedures.

For any item you deposit through Mobile Check Deposit, you agree to obtain the signature of the payee(s) on the back of the check and to include the restrictive endorsement “For Mobile Deposit Only” or if available mark the checkbox that indicates mobile deposit or endorse the check as otherwise instructed by us. You also agree to follow any and all other procedures and instructions for use of Mobile Check Deposit as we may establish from time to time.

4. Deposit Limits.

We may establish limits with respect to the dollar amount and/or number of items you may deposit through Mobile Check Deposit during any established period, and these limits, which may be set on a daily or rolling basis, will change, in our sole discretion, from time to time. We may not provide advance notice of changes in these limits except as required by law. If you attempt to initiate a deposit in excess of the limits we establish for you, your deposit may not be accepted. If we permit you to make a deposit in excess of your limits, such deposit will still be subject to the terms of this Agreement and will not be considered a waiver of our limits with respect to future deposits.

5. Our Receipt of Checks and Other Items.

- a. In general, if an image of an item you transmit through the Mobile Check Deposit Online Service is received and accepted on a business day that we are open, we consider that day to be the day of your deposit.

Otherwise, we will consider that the deposit was made on the next business day we are open. Funds deposited using the Mobile Check Deposit Online Service will generally be made available within 2 business days after the deposit date unless a hold is placed. Once the deposit has posted, the first \$225 of the deposit will be available on the next business day, and the Funds Availability Policy begins. If it is a check drawn on Prospera, it will be processed through the Federal Reserve Bank and held under our standard Funds Availability Policy. Funds will show as pending until posted to the account. Third party, stale- dated checks and checks that appear to be altered may require an extended hold or could be rejected. We reserve the right to hold checks in which we have reason to doubt collectability, or for any other reason as allowed by law. In those cases, you will be notified by electronic mail the next business day after the funds post to your account. Please remember that you may only deposit a check one (1) time.

- b. Notwithstanding the above, we reserve the right, in our discretion, to reject any item you transmit through Mobile Check Deposit without any liability to you. We are not responsible for items we do not receive or that are dropped during transmission. An image of any item shall be deemed received when you receive confirmation from us that we have received it. Receipt of such confirmation does not necessarily mean, however, that the transmission was free of errors, complete, or will be considered a deposit and credited to your account. We further reserve the right, at any time, to charge back to your account any item that we subsequently determine was not an eligible item or any item that is returned by the paying financial institution for any reason. You agree that we are not liable for any loss, costs, or fees you may incur as a result of our chargeback of an ineligible item.

6. Retention and Disposal of Transmitted Items.

Once you receive confirmation from us that we received your transmitted check image, you agree to retain and safeguard the check for at least 30 calendar days from the date of the transmission. After 30 calendar days, if you have verified that the funds have been credited to your account, you agree either to destroy the check, mark it as "VOID" or otherwise render it incapable of further transmission, deposit, or presentment. During the time you retain possession of the check, you agree to provide the check promptly to us upon request.

7. Presentment of Items.

The way an item is cleared, presented for payment, and collected shall be in Prospera's sole discretion subject to the Member Account Agreement or Business Membership Account Agreement governing your account.

8. Errors in Transmission.

By using Mobile Check Deposit, you acknowledge and accept the risk that an item you deposit may be intercepted or misdirected during transmission. We bear no liability to you or others for any intercepted or misdirected items or information disclosed through such errors. Moreover, when using the Mobile Check Deposit Online Service, you may experience technical or other difficulties. We will attempt to post alerts on our website or send you a text message to notify you of these interruptions in Online Service. We cannot assume responsibility for any technical or other difficulties or any resulting damages that you may incur. We reserve the right to change, suspend or discontinue the Online Services, in whole or in part, or your use of the Online Services, in whole or in part, immediately and at any time without prior notice to you.

9. Errors and Discrepancies.

In accordance with the terms of the Member Account Agreement or Business Membership Account Agreement governing your account, you agree to notify us immediately of any suspected errors regarding items deposited through Mobile Check Deposit, and in no event later than 33 calendar days after your applicable account statement showing the deposit is made available to you. Unless you notify us within 33 calendar days from the date the statement is made available to you, all deposits made through Mobile Check Deposit included on the statement shall be deemed correct, and you are prohibited from bringing a claim against us for any alleged error regarding such deposits.

10. Image Quality.

The image quality of the items you transmit to us using Mobile Check Deposit must be legible and comply with the requirements established and updated from time to time by us, the American National Standards Institute ("ANSI"), the Board of Governors of the Federal Reserve Board, and/or any other applicable regulatory agency, clearinghouse, or association. For best results, you must ensure the image of the entire check is within the four (4) corners of the box, the information on the back of the check is legible, the check is properly endorsed, and it is zoomed in or out as necessary.

11. Cooperation with Investigations.

You agree to cooperate with us in the investigation of unusual transactions, poor quality transmissions, and resolution of claims, including by providing, upon request and without cost to us, any originals or copies of items deposited through Mobile Check Deposit in your possession and your records relating to such items and transmissions.

12. Fees.

There is no fee for Mobile Check Deposit. However, wireless Online Service provider charges may apply.

13. User Warranties and Indemnification.

You warrant to us the following, and you agree to indemnify and hold us harmless from any loss for your breach of these warranty provisions:

- a. You will comply with this Agreement and all applicable rules, laws, and regulations.
- b. You will only transmit eligible items that are properly endorsed and meet our image quality standards.
- c. You will not transmit duplicate items.
- d. You will not re-deposit or re-present an original item once it has been scanned and sent through this Online Service, or any other mobile deposit Online Service, unless we specifically request you to do so.
- e. You will not store (other than as required under subsection 6 above - Retention and Disposal of Transmitted Items of this Mobile Check Deposit section) or make a back-up copy of any item you submit to us through Mobile Check Deposit.
- f. All information you provide to us is accurate and true.
- g. Prospera will not sustain a loss because you have deposited an item through Mobile Check Deposit.

Any breach of the above warranties may result in cancellation of the Online Services for your specific profile in the Prospera Mobile App, closure of your accounts, or termination of the member relationship.

J. OTHER FEATURES

1. Card On/Off Feature.

Prospera may provide Card On/Off functionality, if available. This feature lets you take control of your Prospera debit and/or credit cards to protect against unauthorized use. For example:

- a. If you have misplaced your card, turn it to the Off position. If you find it, and feel your Account has not been jeopardized, turn it back On and continue to use your card or;
- b. If you use your card infrequently, or are traveling without your card, turn it OFF. Then turn it On when you are ready to use. You are in control. Your mobile application shows you whether your card is On or Off.

Turning your card Off only impacts future transactions. Any previously authorized transactions will be paid, and any recurring transactions you had previously set up will still occur. Turning your card Off will not affect your checks, mobile or internet transfers, bill payments, or any other type of transactions in your Account(s).

This functionality does not replace the card holder's responsibility to report a lost or stolen card and Prospera does not warrant that this functionality will prevent unauthorized transactions in all situations. In all situations, it is your responsibility to review activity in your Accounts for propriety and to assure that any scheduled or recurring transactions occur when your card is Off.

If you would like to remove an account, you can do so under the Member-to-Member tab under Manage where you will be able to delete any accounts you have set up. Prospera assumes no liability for access to, transactions through, or privacy obligations or claims related to your use of the Member-to-Member Feature, and Prospera is not responsible for any failure or discontinuation of this functionality.

O. TERMINATION

You may terminate this Agreement at any time by notifying us in writing and stopping your use of the Online Services. You must notify us at least 10 days prior to the date on which you wish to have your service terminated. If you have scheduled payments within this 10-day period, you also must separately cancel those payments. If we have not completed processing your termination request and you have not otherwise canceled a payment, you will be responsible for payments scheduled during the 10 days following our receipt of your written notice of termination and all accrued fees and charges. If there is more than one account owner or if more than one person is authorized to access the account through the service, we may terminate the service upon the request of any account owner or person authorized to access the account.

We reserve the right to change, suspend or discontinue the Online Services, in whole or in part, or your use of the Online Services, in whole or in part, immediately and at any time without prior notice to you. Upon termination, you will remain liable for payments, transfers and other transactions in process and all accrued fees and charges.

P. SCHEDULE OF FEES

Except as provided for herein (or any other agreements between us pertaining to your Accounts), the Online Services are currently provided at no additional cost to members. This may change in the future, including where in connection with added Online Services. Also, you are responsible for web access and/or data or text message charges that may be billed by your mobile carrier. Check with your mobile carrier for details on specific fees and charges that may be applicable.
